The Coast Guard representative will take all proper precautions to protect the owner's interest, as well as that of the United States.

(b) Except as permitted in paragraph (c) of this section, no vessel, aircraft, radio station, motorized vehicle, trailer, or other equipment will be deemed loaned to the Coast Guard until an acceptance, on the prescribed form, has been signed on behalf of the Coast Guard by a person authorized by the Commandant to sign such an acceptance and a complete inventory of consumable and expendable stores and equipment has been made and mutually settled by the owner and the Coast Guard representative.
